

CLAIMS

I claim:

1. A medal ribbon, comprising:

a loop comprised of a sheet with opposite ends attached together, wherein said loop includes square corners at a top end, and a tapered lower end for supporting a suspension ring of a medal.

2. A medal ribbon, comprising:

a loop comprised of a sheet with opposite ends attached together, wherein said loop includes square corners at a top end, and a tapered lower end for supporting a suspension ring of a medal; and

a wire pin generally formed as a "T" shape with looped horizontal arms positioned inside said loop, and dual vertical legs projected through a back of said loop for inserting into a uniform.
